We celebrated and commemorated St. Stephen's Day, March 15th, and October 23rd as in every year. We also had fun at a New Year's party and a Harvest Dinner Dance. At Christmas time there was an afternoon with Santa Claus for the children.

We were very active with all kinds of Hungarian cultural activities by either supporting visiting artists or even organizing events ourselves:

The Bartok Quartet, the Kodaly Quartet, the Kalman Balogh Gypsy Cimbalom Band, and the Ferenc Santa Gypsy Cimbalom Band. And we had an art exhibit in the House with Zsuzsa Dobay and the Koncz Galeria from Debrecen. This event was opened by Consul General Szabolcs Kerek-Barczy.
